### READING

The 4 H's (Here, Heart, Hidden, Head)

What type of things are the characters  
In the story? There are two houses and a dog.

What do you think Blue might be saying to  
his friend when they are under the bridge in the  
Rain? I think blue is saying "when is this rain going to stop?"

Why do you think the homes in the video clip have become derelict?

How do you know that the houses have personalities? They have become derelict because  
all the poor weather conditions. I know the houses have personalities because blue takes  
care of the old house and looks out for her.

One of the themes in the story is about friendship. Give an example of this from the  
video clip and why it shows friendship.

Blue uses his strength to heave the old house up the hill this is nice because he could just  
leave her.

### Matariki – Kite Flying

**Draw cartoon illustrations in the boxes to show the meaning of these rules so that people remain safe in Tamaki Makaurau and all over Aotearoa during our Matariki Celebrations:**

Don't fly a kite close to a road. If the kite lands on the road, it could cause an accident.	Make sure you keep all kites away from overhead powerlines.	Don't fly kites too close to people – especially children.	Be careful about flying kites when it is extremely windy.	Don't fly kites near airports.	Don't fly a kite in a storm. Electricity may flow down a wet kite line.

**True or False?**

- a) Leonardo Da Vinci used a kite to prove that lightning was a form of electricity. T/**F**
- b) Electricity can be conducted along a wet string. **T**/ F
